## DATA SHEET

**TREADSTONE**  
SAFETY

### Product Description

A seamless I3 Gauge budget HPPE / glass fibre liner, with oil based PU palm coating. Tough and durable, yet still offering surprising level of comfort, dexterity and grip in dry conditions. Breathable back. Cut 5 under old rules, now classed at level C under new EN388:2016 TDM testing protocols. Ideal multi-purpose economy cut glove.

### Key Features

Oil based PU palm coating with economy HPPE/glass fibre liner. Soft form PU and comfortable seamless liner. Elasticated wrist. Cut level C.

### Applications

Used as a general handling glove for packaging, warehousing, white goods pre assembly work, inspection, metal components handling, small sheet cutting, handling sharp objects, maintenance, construction, logistics, transport, aerospace, automotive, manufacturing and more.

### About Treadstone

Who are we?

Treadstone Products is the European face of one of China's finest glove manufacturers - Jiangsu CLS Technology. Our glove portfolio is produced almost entirely in our own exceptional, modern yarn and coating facilities, alongside our superb research centre. Our current capacity is in excess of 1.2 billion pairs of gloves per annum. Our products are all made to the highest quality, meeting the latest EN and ANSI standards. Our factory has ISO 9001 quality management, ISO 14001 environmental management, SA8000 social accountability and C-TPAT management certificated systems in place.

Treadstone represents a new and dynamic, modern range of high quality safety products for discerning glove users and safety conscious employers across Europe. We're building a name and a brand that will be a beacon of trust, with a service and support system to match. *Safety, without compromise.*
