| Cut Resistance - RazorPlex |     |

## DATA SHEET

### Product Description

A seamless I8-gauge RazorPlex U2 glove made with HPPE multi-threaded yarn providing cut resistance to EN 388:2016 TDM level B. The water based (DMF free) PU/nitrile foam palm coating offers excellent grip, comfort, dexterity and touch sensitivity for a glove in its class. As with all gloves in the PRO series, this glove features a thumb crotch for additional security, and is colour coded using our Spectrum-iD system.

### Key Features

RazorPlex I8 gauge U2 HPPE multi-threaded yarn with soft and smooth comfortable lining and breathable back. Water based (DMF free) PU/nitrile foam palm coating. Thumb crotch. Cut level B. Spectrum-iD colour coded.

### Applications

Handling applications where enhanced cut resistance, dexterity and dry grip are required, such as manufacturing, automotive, metal parts handling, maintenance, HVAC and general assembly work.

### Product Information

#### Materials:

Coating - Water based (DMF free) PU/nitrile foam palm coated, thumb crotch

Liner - Seamless I8 gauge RazorPlex U2 multi-threaded yarn

Wrist - Performance elasticated

Cuff binding - Polyester

Size - Treadstone colour coded

Spectrum-iD - Amber (moderate cut risk)

### About Treadstone

#### Who are we?

Treadstone Products is the European face of one of China's finest glove manufacturers - Jiangsu CLS Technology. Our glove portfolio is produced almost entirely in our own exceptional, modern yarn and coating facilities, alongside our superb research centre. Our current capacity is in excess of 1.2 billion pairs of gloves per annum. Our products are all made to the highest quality, meeting the latest EN and ANSI Standards. Our factory has ISO 9001 quality management, ISO 14001 Environmental Management, SA8000 Social Accountability and C-TPAT Management certificated systems in place.

Treadstone represents a new and dynamic, modern range of high quality safety products for discerning glove users and safety conscious employers across Europe. We're building a name and a brand that will be a beacon of trust, with a service and support system to match. *Safety, without compromise.*
