PRO-213	PRO
Cut Resistance - RazorPlex	

DATA SHEET

Product Description

A seamless I5-gauge RazorPlex U2 glove, made with HPPE multi-threaded yarn providing cut resistance to EN 388:2016 TDM level E. Double dipped with smooth full nitrile coating and micro sandy nitrile palm coating, offering good grip, comfort, and dexterity for a glove in its class. As with all gloves in the PRO series, this glove features a thumb crotch for additional security, and is colour coded using our Spectrum-iD system.

Key Features

RazorPlex I5 gauge U2 HPPE multi-threaded yarn with soft, smooth and comfortable lining and breathable back. Full nitrile smooth coating with tough micro sandy nitrile palm coating. Thumb crotch. Cut level E. Spectrum-iD colour coded.

Applications

Handling applications where enhanced cut resistance, dexterity and dry grip are required, such as manufacturing, automotive, metal parts handling, maintenance, HVAC and general assembly work.

Product Information

Materials:

Coating - DD smooth and palm coated micro sandy nitrile, thumb crotch

Liner - Seamless I5 gauge RazorPlex U2 multi-threaded yarn

Wrist - Performance elasticated cuff

Cuff binding - Polyester

Size - Treadstone colour coded

Spectrum-iD - Green (high cut risk)

About Treadstone

Who are we?

Treadstone Products is the European face of one of China's finest glove manufacturers - Jiangsu CLS Technology. Our glove portfolio is produced almost entirely in our own exceptional, modern yarn and coating facilities, alongside our superb research centre. Our current capacity is in excess of 1.2 billion pairs of gloves per annum. Our products are all made to the highest quality, meeting the latest EN and ANSI Standards. Our factory has ISO 9001 quality management, ISO 14001 Environmental Management, SA8000 Social Accountability and C-TPAT Management certificated systems in place.

Treadstone represents a new and dynamic, modern range of high quality safety products for discerning glove users and safety conscious employers across Europe. We're building a name and a brand that will be a beacon of trust, with a service and support system to match.

Safety, without compromise.
