Thermal protection - Cold	

DATA SHEET

TREADSTONE SAFETY

Product Description

Seamless 15-gauge orange polyester with 10-gauge acrylic thermal lining. Fully coated with smooth orange latex and black sandy latex palm with thumb crotch. Exceptional grip in wet or dry conditions. Thermal lining provides warmth in cold handling environments whilst maintaining excellent levels of comfort and dexterity. Superb lightweight waterproof handling. Cut level 2.

Key Features

Waterproof. Super soft feel. Excellent dexterity and comfort in cold temperatures. Thumb crotch.

Applications

Ideal multi-purpose waterproof glove, for those cold, wet general handling applications. Can be used for work in cold rooms, logistics, construction, oil and gas. Maintains an incredible softness, comfort and dexterity, with excellent grip in harsh conditions.

About Treadstone

Who are we?

Treadstone Products is the European face of one of China's finest glove manufacturers - Jiangsu CLS Technology. Our glove portfolio is produced almost entirely in our own exceptional, modern yarn and coating facilities, alongside our superb research centre. Our current capacity is in excess of 1.2 billion pairs of gloves per annum. Our products are all made to the highest quality, meeting the latest EN and ANSI Standards. Our factory has ISO 9001 quality management, ISO 14001 Environmental Management, SA8000 Social Accountability and C-TPAT Management certificated systems in place.

Treadstone represents a new and dynamic, modern range of high quality safety products for discerning glove users and safety conscious employers across Europe. We're building a name and a brand that will be a beacon of trust, with a service and support system to match. *Safety, without compromise.*
