## DATA SHEET

### TREADSTONE SAFETY

#### Product Description

Our popular superior chrome rigger glove is made of cow split leather with breathable cotton drill back, rubberised safety cuff and cotton palm liner. Providing protection to cut level 2, this is a tough glove with a reinforced palm, thumb and forefinger that offers good levels of comfort and safety for its class. A modern, high quality take on an old classic.

#### Key Features

Tough cow split leather. Superior quality. Durable. Reinforced palm, thumb and forefinger. Comfort liner. Rubberised cuff. Meets EN 388:2016

#### Applications

Ideal for a multitude of general dry and light duty handling applications. Typically found in use for low risk applications in agriculture, horticulture, construction, yard work, packaging, and transportation.

#### About Treadstone

##### Who are we?

Treadstone Products is the European face of one of China's finest glove manufacturers - Jiangsu CLS Technology. Our glove portfolio is produced almost entirely in our own exceptional, modern yarn and coating facilities, alongside our superb research centre. Our current capacity is in excess of 1.2 billion pairs of gloves per annum. Our products are all made to the highest quality, meeting the latest EN and ANSI Standards. Our factory has ISO 9001 quality management, ISO 14001 Environmental Management, SA8000 Social Accountability and C-TPAT Management certificated systems in place.

Treadstone represents a new and dynamic, modern range of high quality safety products for discerning glove users and safety conscious employers across Europe. We're building a name and a brand that will be a beacon of trust, with a service and support system to match.

*Safety, without compromise.*
