SAFETY

## Product Description

Traditional yellow / orange A Grade, premium builder's glove. Five yarn 48g polycotton liner with crinkle latex palm coating. Cut level I. Good all-rounder - tough, durable and abrasion resistant but with a softer feel, offering improved comfort and dexterity for general on site handling.

## Key Features

Excellent dexterity, abrasion resistance and superior grip in dry conditions. Softer, more comfortable feel than its more economical rivals. Breathable back.

## Applications

Used as a tough and durable general handling glove for packaging, warehousing, construction, forestry, horticulture and agriculture.

## Product Information

Materials:

- Coating - Latex crinkle
- Liner - 48g polycotton (Five yarn)
- Wrist - Elasticated
- Cuff binding - Polyester
- Size - Treadstone colour coded
- Spectrum-iD - N/A

## About Treadstone

Who are we?

Treadstone Products is the European face of one of China's finest glove manufacturers - Jiangsu CLS Technology. Our glove portfolio is produced almost entirely in our own exceptional, modern yarn and coating facilities, alongside our superb research centre. Our current capacity is in excess of 1.2 billion pairs of gloves per annum. Our products are all made to the highest quality, meeting the latest EN and ANSI standards. Our factory has ISO 9001 quality management, ISO 14001 environmental management, SA8000 social accountability and C-TPAT management certificated systems in place.

Treadstone represents a new and dynamic, modern range of high quality safety products for discerning glove users and safety conscious employers across Europe. We're building a name and a brand that will be a beacon of trust, with a service and support system to match. *Safety, without compromise.*
