Multi-Purpose	

DATA SHEET

TREADSTONE
SAFETY

Product Description

Fully coated with tough, abrasion resistant nitrile, this is a medium duty handling glove with safety cuff design and comfortable jersey lining. Ideal for work with rough timber, castings or construction materials. More flexible and durable than traditional PVC gloves. Meets EN 388:2016. Cut level I.

Key Features

Tough and durable abrasion resistant nitrile fully coated glove with a safety cuff. Comfortable Jersey liner. Arguably more than durable than traditional leather and PVC gloves.

Applications

Used as a durable general handling glove with enhanced resistance to minor cuts, snags, punctures, oil and grease. Best suited to local authorities, transport, shipping, forestry, agriculture, construction, maintenance and highway work.

Product Information

Materials:

Coating – Fully coated nitrile

Liner – Cotton interlock liner

Wrist – Safety cuff

Cuff binding – N/A

Size – Individually marked

Spectrum-iD – N/A

Size	Code	Case Quantity
9	ONL-484/09	Inner bags of 10 pairs
10	ONL-484/10	Outer shipper 120 pairs/12 inners

About Treadstone

Who are we?

Treadstone Products is the European face of one of China's finest glove manufacturers - Jiangsu CLS Technology. Our glove portfolio is produced almost entirely in our own exceptional, modern yarn and coating facilities, alongside our superb research centre. Our current capacity is in excess of 1.2 billion pairs of gloves per annum. Our products are all made to the highest quality, meeting the latest EN and ANSI standards. Our factory has ISO 9001 quality management, ISO 14001 environmental management, SA8000 social accountability and C-TPAT management certificated systems in place.

Treadstone represents a new and dynamic, modern range of high quality safety products for discerning glove users and safety conscious employers across Europe. We're building a name and a brand that will be a beacon of trust, with a service and support system to match. *Safety, without compromise.*
