TO KEEP SAFE

## Growing innovation...

The ClipGlove brand continues to grow and receive rave reviews. In addition to gloves, bags, aprons, tool belts and kneelers, the 2023 season will see the introduction of our range of Activity Boots. These stylish boots feature the renowned ClipGlove design, bringing a classic wellington boot bang up to date and no surprise, there's also a giant carabiner clip!

## New for 2023

Also new for 2023 is our collection of "Bottle Gloves". The gloves are woven using thread made from recycled plastic bottles! – more information on page 10.

We are always trying to do our bit for the environment. From launch, we made the decision not to use any plastic bags in the packaging of gloves. This year, we are making the pledge that from 2023, our main range glove production will use at least 30% recycled materials!

## A GARDENING GLOVE DESIGNED FOR YOU

### LOOKING GOOD!

Our gloves not only offer excellent performance, but they also look great!

We've fashioned 2 distinct colour palettes to ensure our gloves create impact on the shop floor and offer consumers a chic sense of style!

### TEXTILES FOR TODAY

We carefully select the best textiles for each glove. From skin friendly bamboo fibres to technologically advanced Cut Proof Fibres, and durable Synthetic Leathers to sweat absorbing Terry fabric to wipe that brow during strenuous gardening activity.

And of course...

### THAT CLEVER LITTLE CLIP!

Each pair of gloves is held together with an Aluminium Carabiner clip. This clip holds each pair together in store, so no more torn header cards!

The design also allows consumers to try on both gloves without removing them from the clip. But the real beauty of the clip is that gardeners will never lose their gloves again! Clip them to a belt or a garden bag, hang them in the shed or on the line to dry – genius!

New from ClipGlove for 2023 is our clever range of ActivityBoots! These innovative boots are packed with features and are available in both men's and ladies' styles – each with their own design cues!

Made from durable PVC to provide a tough, comfortable and great value boot, but with some really useful features:

**NEW**

- Contoured boot top – adds style and comfort
- "Easy-on" features – ladies' version features stylish hand grip apertures on each side of the boot. Men's version features pull loop on the back of the boot
- Two tone colourway – looks smart in the garden or out and about.
- Includes comfortable insoles
- Every pair supplied with our giant carabiner clip – perfect to keep your boots together and to hang them up for storage. Each clip features a sponge grip so that you can carry your boots in comfort.

ACTIVITY BOOTS  
DESIGNED FOR MEN AND WOMEN

Our range of bags, aprons and kneelers is the perfect partner to the ClipGlove range. Using the same popular colour palettes, we've created a range that is not only practical and durable, but also looks good!

The range is ideal for gardening, DIY and crafts – in fact there are hundreds of uses for these Handy Helpers. Every bag and apron features a multi-pocketed design to organise all the tools and "bits & bobs" you need. The kneeling pad features a clever folding design making it easy to carry, so it's ideal as a seat pad at festivals and concerts as well as a kneeler around the home and garden.

**MADE FROM  
RECYCLED PLASTIC  
BOTTLES**

Our new recycled glove range features a stylish collection of Men's and Ladies gloves made using recycled plastic bottles.

The knitted glove is made from 95% recycled plastic bottles, with just a little added elastic for comfort. We then dip the gloves in natural latex to provide grip and protection from dirt and water.

The fun, colourful printed designs add a touch of style whilst giving a nod to the "bottle heritage" of the gloves.

**There are 2 versions available:**

**Recycled Garden Grip** – made from recycled plastic bottles with a textured palm coating of natural latex to provide grip and protection.

**Recycled Garden Grip Plus** – featuring the same construction as "Garden Grip", but with an extra coating of latex, which stretches up the back of the hand to provide increased durability and protection against moisture.

Both gloves are suitable for general garden jobs such as weeding, sowing, potting and planting.

The panels feature informative graphics to help the consumer select the correct glove as well as a clever size guide for both men and women. - 'Company' means The Good Life Outdoor Company Ltd (trading as Treadstone Products) - registered in England & Wales under number 10635674 and shall include where the context so permits its assigns and sub-contractors.
- 'Company Premises' means the premises mentioned in the Company Quotation or other contractual document or, if not so mentioned means the Company's works at Unit 36, Abenbury Way, Wrexham Industrial Estate, Wrexham, LL13 9UZ, U.K.
- 'Condition' means the standard terms and conditions of sale set out in this document and (unless the context otherwise requires) includes any special terms and conditions agreed in writing between the Buyer and the Company
- 'Contract' means the contract for the purchase and sale of the Goods.
- 'VAT' means Value Added Tax and any other like tax duty or impost.
- 1.2 Unless the context otherwise requires:-

- 1.2.3 references to persons shall include bodies of persons whether corporate or incorporate.
- 1.3 Unless the context otherwise requires references to clauses shall be construed as references to clauses of the Conditions.
- 1.4 Headings are inserted for convenience only and shall not affect the construction of interpretation of these Conditions.
- 2 BASIS OF THE SALE
- 2.1 The Company shall sell and the Buyer shall purchase the Goods in accordance with any written quotation of the Company which is accepted by the Buyer or any written order of the Buyer which is accepted by the Company in writing, subject to these conditions, which shall govern the Contract and be incorporated therein to the exclusion of any other terms and conditions subject to which any such quotation is accepted or purported to be accepted, or any such order is made or purported to be made, by the Buyer. Notwithstanding that the Buyer may order the Goods on its standard form of purchase order and whether or not incorporating the Buyer's own terms and conditions, any such order shall be treated solely as a request to deliver the Goods and have no other contractual effect whatsoever.
- 2.2 No variation to these Conditions shall be binding unless agreed in writing between the authorised representatives of the Buyer and the Company and signed by a director of the Company.
- 2.3 The Company's employees or agents are not authorised to make any representations concerning the goods unless confirmed by the Company in writing and signed by a director of the Company. In entering into the Contract the Buyer acknowledges that it does not rely on, and waives any claim for breach of, any such representations which are not so confirmed.
- 2.4 Any advice or recommendations given by the Company or its employees or agents to the Buyer or its employees or agents as to the storage, application or use of the Goods which is not confirmed in writing by the Company is followed or acted upon entirely at the Buyer's own risk, and accordingly the Company shall not be liable for any such advice or recommendation which is not so confirmed.
- 2.5 Any typographical, clerical or other error or omission in any sales literature, quotation, price list, acceptance of offer, invoice or other document or information issued by the Company shall be subject to correction without any liability on the part of the Company.
- 3 ORDERS AND SPECIFICATIONS
- 3.1 No order submitted by the Buyer shall be deemed to be accepted by the Company unless and until confirmed in writing by one of the Company's directors.
- 3.2 The Buyer shall be responsible to the Company for ensuring the accuracy of the terms of any order (including any applicable specification) submitted by the Buyer, and for giving the Company any necessary information relating to the Goods within a sufficient time to enable the Company to perform the Contract in accordance with its terms.
- 3.3 The quantity, quality and description of and any specification for the Goods shall be those set out in the Company's quotation (if accepted by the Buyer) or the Buyer's order (if accepted by the Company).
- 3.4 If the Goods are to be manufactured or any process is to be applied to the Goods by the Company in accordance with a specification submitted by the buyer, the Buyer shall indemnify the Company against all loss, damages, costs and expenses awarded against or incurred by the Company in connection with or paid or agreed to be paid by the Company in settlement of any claim for infringement of any patent, copyright, design, trade mark or other industrial or intellectual property rights of any other person which results from the Company's use of the Buyer's specification.
- 3.5 The Company reserves the right to make any changes in the specification of the Goods which are required to conform with any applicable statutory or EC requirements which do not materially affect their quality or performance.
- 3.6 No quotation which has been accepted by the Buyer nor any order which has been accepted by the Company may be cancelled by the Buyer except with the agreement in writing of the Company and on terms that the Buyer shall indemnify the Company in full against all loss (including loss of profit), cost (including the cost of all labour and materials used), damages, charges and expenses incurred by the Company as a result of cancellation.
- 4 PRICE OF THE GOODS
- 4.1 The price for the Goods shall in absence of any written agreement between the Company and the Buyer be the Company's list price for such goods on the date the Goods are dispatched to the Buyer and are subject to alteration at any time without notice.
- 4.2 Notwithstanding any written agreement as to price, the Company reserves the right, by giving notice to the Buyer at any time before delivery, to increase the price of the Goods to reflect any increase in the cost to the Company which is due to any factor beyond the control of the Company (such as, without limitation, any foreign exchange fluctuation, currency regulation, alteration of duties, significant increase in the costs of labour, materials or other costs of

Terms & Conditions

- manufacture), any change in delivery dates, quantities or specifications for the Goods which is requested by the Buyer, or any delay caused by the instructions of the Buyer to give the Company adequate information or instructions.
- 4.3 Except as otherwise agreed in writing between the Buyer and the Company, all prices are given by the Company on an ex works basis, and where the Company agrees to deliver the Goods otherwise than at the Company's charges for transport, packaging and insurance.
- 4.4 The price is exclusive of any applicable VAT, which the Buyer shall be additionally liable to pay to the Company.
- 5 TERMS OF PAYMENTS
- 5.1 Subject to any special terms agreed in writing between the Buyer and the Company, the Company shall be entitled to invoice the Buyer for the price of the Goods on or at any time after delivery of the Goods, unless the Goods are to be collected by the Buyer or the Buyer wrongfully fails to take delivery of the Goods, in which event the Company shall be entitled to invoice the Buyer for the price at any time after the Company has notified the Buyer that the Goods are ready for collection or (as the case may be) the Company has tendered delivery of the Goods.
- 5.2 The Buyer shall pay the price of the Goods within 30 days of the date of the Company's invoice unless otherwise in writing and stated on the invoice, and the Company shall be entitled to recover the price, notwithstanding that delivery may not have taken place and the property in the Goods has not passed to the Buyer. The time of payment of the price shall be of the essence of the Contract. Receipts for payment will be issued only upon request.
- 5.3 If the Buyer fails to make any payment on the due date then, without prejudice to any other right or remedy available to the Company, the Company shall be entitled to:
- 5.3.1 cancel the contract or suspend any further deliveries to the Buyer;
- 5.3.2 appropriate any payment made by the Buyer to such of the Goods (or the Goods supplied under any other contract between the Buyer and the Company) as the Company may think fit (notwithstanding any purported appropriation by the Buyer); and
- 5.3.3 charge the Buyer interest (both before and after any judgement) on the amount unpaid including VAT) at the rate of three percent per annum above the base lending rate of Barclays Bank Plc from time to time from the date the amount became due for payment until payment in full is made both before and after judgement and shall be calculated on a daily basis.
- 6 DELIVERY
- 6.1 Any dates quoted for delivery of the Goods are approximate only and the Company shall not be liable for any delay in delivery of the Goods howsoever caused. Time for delivery shall not be of the essence unless previously agreed by the Company in writing. The Goods may be delivered by the Company in advance of the quoted delivery date upon giving reasonable notice to the Buyer.
- 6.2 Where the Goods are to be delivered in instalments, each delivery shall constitute a separate contract and failure by the Company to deliver any one or more of the instalments in accordance with these Conditions or any claim by the Buyer in respect of any one or more instalments shall not entitle the Buyer to treat the Contract as a whole as repudiated.
- 6.3 If the Company fails to deliver the Goods for any reason other than any cause beyond the Company' reasonable control or the Buyer's fault, and the Company is accordingly liable to the Buyer, the Company's liability shall be limited to the excess (if any) of the cost to the Buyer (in the cheapest available market) of similar goods to replace those not delivered over the price of the Goods.
- 6.4 If the Buyer fails to take delivery of the Goods or fails to give the Company adequate delivery instructions at the time stated for delivery (otherwise than by reason of the Company's fault) then, without prejudice to any other right or remedy available to the Company, the Company may;
- 6.4.1 store the Goods until actual delivery and charge the Buyer for the reasonable costs (including insurance) of storage; or
- 6.4.2 sell the Goods at the best price readily obtainable and (after deducting all reasonable storage and selling expenses) charge the Buyer for any shortfall below the price for the Goods under the Contract.

- 7.2 Notwithstanding delivery and/or the passing risk in the Goods, or any other provision of these Conditions, the property in the Goods shall not pass to the Buyer until the Company has received in cash or cleared funds payment in full of the price of the Goods and all other goods agreed to be sold by the Company to the Buyer for which payment is then due.
- 7.3 Until such time as the property in the Goods passes to the Buyer, the Buyer shall hold the Goods as the Company's fiduciary agent and bailee, and shall keep the Goods separate from those of the Buyer and third parties and properly stored, protected, insured against loss or damage by accident , fire theft or other risks usually covered by insurance in their full replacement value and clearly identified as the Company's property. Until that time the Buyer shall be entitled to resell or use the Goods in the ordinary course of its business, but shall account to the Company for the proceeds of sale or otherwise of the Goods, whether tangible or intangible, including insurance proceeds, and shall keep all such proceeds separate from any moneys or property of the Buyer and third parties and, in the case of tangible proceeds, properly stored, protected and insured.
- 7.4 Until such time as the property in the Goods passes to the Buyer (and provided the Goods are still in existence and have not been resold), the Company shall be entitled at any time to require the Buyer to deliver up the Goods to the Company and, if the Buyer fails to do so forthwith, to enter upon any premises of the Buyer or any third party where the Goods are stored and repossess the Goods.
- 7.5 The Buyer shall not be entitled to pledge or in any way charge by way of security for any indebtedness of the Goods which remain the property of the Company, but if the Buyer does so all moneys owing by the Buyer to the Company shall (without prejudice to any other right or remedy of the Company) forthwith become due and payable.
- 8 WARRANTIES AND LIABILITY

- 8.4 Where the Goods are sold under a consumer transaction (as defined by the Consumer Transactions (Restrictions on Statements Order 1976) the statutory rights of the Buyer are not affected by these Conditions.

Any claim by the Buyer for non-delivery of the whole or any part of the consignment must be made to the Company within three days of the date of invoice.
